[EPA Comments ASAP DSEIS 08292017.pdf](#)

Hello All,

Thank you very much for all of your assistance in reviewing the Draft SEIS and developing NEPA comments for the ASAP Project. Thanks to your efforts, we were able to send a strong and compelling letter that will hopefully lead to an improved analysis in the Final SEIS and reduced environmental impacts from the proposed project. Attached for your information is a copy of our final letter.

Thank you,

Molly
